A CULTURAL HISTORY

of
The
African
American
People

**The South,
the North, and the
Great Migration:**
Blues and Literature *

Patterned like the big city house parties held in homes in New York and Chicago in the 20's and 30's. Plenty of soul food, line dancing, card games, dominoes and a program with emphasis on famous African American characters from the 20's and 30's.
